Read Exodus 20:3-6

Read Romans 12:1-2

Worship is how we are to live our lives – a dynamic, everlasting celebration of God. Our spiritual service of worship is ultimately giving ourselves to Him gladly and sacrificially with each passing day – it is a lifestyle. This is our privilege, our purpose and our fulfillment.

5. *Think about this.*
6. *What does non-conformity (v.2) add to your understanding of true worship?*
7. *What is the difference between attending worship and living in worship?*
8. *What role does corporate worship play in your relationship with God?*

The BIG question : How are you going to have no other gods before YHWH this week?
